Competition Entry & Cancellation Policy

Hockey Fever appreciates that circumstances can change, but late withdrawals can result in additional administration, disruption to other teams and financial costs.

Cancellation Deadlines

- Schools competitions: 2 weeks before the competition date.
- Club festivals: 12 noon on the Monday before the Sunday festival (6 days prior).

Teams may withdraw without charge before these deadlines.

Late Withdrawals

Following the cancellation deadline, the full entry fee will normally remain payable, even if a team is unable to attend.

This reflects the time and resources committed to organising the event, including scheduling, administration, facilities and staffing.

Exceptional Circumstances

Hockey Fever reserves the right to consider exceptional circumstances on an individual basis.

Event Cancellation

If Hockey Fever cancels an event, teams will receive a refund or credit of their entry fee.

By entering a competition, schools and clubs agree to these cancellation terms.
